EDITOR'S LETTER

No fewer than 4 newbies this month, and while they're not all necessarily fresh off the turnip truck, we reckon they make a more than welcome addition to the annals of Mayfair! We're particularly delighted to be welcoming Ree and Talia, a couple of UK hotties who we've had in our sights for some time now and who we've finally bagged – we're sure you'll agree it was worth the wait!

GRUBBY TALE!

Dear *Mayfair*,

I've been reading *Mayfair* for many years now, and although I enjoy it immensely, I have one slight irk – the lack of food play featured within it!

I've had a penchant for mixing foodstuff with sex since I was a young lad, whether on my own or with a lady. The texture, smell, taste and visual aspect makes it, in my opinion, one of the more sumptuous and satisfying forms of eroticism.

Although I have shared this pleasure with nearly all of my girlfriends to some degree, the most gratifying encounter of all was with Vivien, whom I met on the internet.

After a few conservations about the single life we realised we had much in common and decided to keep in touch via email – not meeting up as we lived many miles apart. Our friendship grew as the months flew by, until one day she announced she would be visiting friends only a short distance from me and would like to finally meet.

We met at my local pub, and I was pleasantly surprised to find that she looked even better in the flesh than she did in her pictures. We ate lunch while we talked and I couldn't help but become slightly aroused by the way she handled and savoured her food – scooping up the remaining gravy from her plate with one fingertip and sensuously sucking it into her mouth through her full glossy lips, while maintaining eye contact made it obvious she was coming on to me. Encouraged, I invited her to my house for 'coffee' and she accepted, a wry smile playing lightly on her lips.

> "OUR LIPS LOCKED TOGETHER AS SHE TRACED THE OUTLINE OF MY PRICK…"

Settling back on my sofa later, I put my arm around her and, relaxing, she snuggled contentedly against me, draping one knee over my leg. The feel of Vivien's body so close to mine aroused me, my pulsing erection was soon prodding into her thigh. Kissing her deeply, I sucked on her tongue and our lips locked together passionately as she traced the outline of my prick.

As the temperature rose, we began to grind against and explore each other. Opening her blouse to reveal a beautiful lacy bra encasing her ample bosom, I unhooked it and buried my face between them, inhaling her perfume as her hands crept between my legs to stroke my balls through my jeans. Tweaking her nipples made her squeal with pleasure, her hips bucking gently as she breathlessly asked me to screw her.

Never one to miss an opportunity, I asked her to hold that thought and hurried to the fridge to gather some props. Choosing whipped cream, a bowl of cherries and a bottle of white wine, I returned to the lounge where my soon-to-be lover's eyes widened and she grinned sexily. Without saying a word, Vivien stood and disrobed, sliding her blouse from her shoulders, and her skirt and knickers to the carpet, nodding at me to follow suit. I wasted no time and wriggled out of my clothes, until we were both stark naked.

Lying on my fireside rug, we kissed

CUTE? YOU SHETCHA!

Dear *Mayfair*,

Here's my shetch attempt in homage to your naughty Natalia (51.01). She really is the perfect *Mayfair* maid, with her sweet heart-shaped face, frisky expression, lovely boobs and those glorious thighs, framing her wonderful lady-flower! It was a joy to try and paint her, but in all honesty nature can't be bettered – as your beautiful photos proved all too clearly!

That's not to forget all the other stunning ladies who made up this particular cornucopia of bliss – Megan, Mia, Christen – so saucy and charming in her wild west bordello get up!

Thank you as always to everyone at *Mayfair* who contributes to it being such a joyous institution!

Gabriel, London.

Many thanks for your latest artistic endeavour, Gabriel. We had to look up the word shetch, which was a new one on us! Glad you liked the issue, and we're sure Natalia will be delighted with this piece of artwork when we send it to her! – *The Ed.*

WOWIE CHLOE(S)!

Dear *Mayfair*,
I was looking forward to seeing the magnificent Chloe Dee in your pages after seeing her featured on your Coming Next Month page in the previous issue, and I wasn't disappointed. What a fresh-faces vision of loveliness she is – especially when she happens to be sporting a pair of sheer stockings (my all time favourite item of apparel on a lady!). And while I'm on the topic of Chloe, it was also a thrill to see the super-cute Chloe Toy looking so comely in her stockings and suspenders – OK, they weren't sheer, but the set of pictures of her were a sheer delight nonetheless! If I had to give two reasons why *Mayfair* stands head and shoulders above the other magazines on the top shelf, I could do a lot worse than just produce these two photoshoots!
Martin, Hastings.

again, our bodies entwined perfectly. I took a dab of cream from the bowl and rubbed it on her lips, which she licked off salaciously. Scooping a bigger finger-full, Vivien dipped it into her glorious pussy, mixing the cream with her own essence, offering me her finger so I could taste the delicious mixture of cream and her juices. Sucking greedily on the proffered digit I savoured this luscious potion – the sheer intimacy of the situation causing the blood to positively pound in my cockhead.

Inflamed, I straddled her waist and massaged more cream into her breasts, occasionally pausing to pinch her hardened nipples before smearing them with more cream, enjoying the way she wriggled under me, her excitement growing as I massaged her orbs.

"I INSERTED MY FINGERS DEEP INTO HER SOPPING HOLE, FRIGGING HER VIGOROUSLY UNTIL I FELT HER VAGINAL MUSCLES TIGHTEN AND GRIP MY DIGITS."

Moving further down her body, I rubbed the cream into her swollen pussy lips, the musky scent wafting to my nostrils, and, wanting to heighten her pleasure, I inserted my fingers deep into her sopping hole, frigging her vigorously until I felt her vaginal muscles tighten and grip my digits. Her pussy spasming, she came hard and loud, all over my fingers.

When she'd regained her composure, I asked her to turn over. Her bottom-cheeks were smooth and silky like soft pillows, and I devoted some time to spreading the cream over their curves before working it into the deep furrow between them.

I could hardly contain myself; the sight of her little anus almost made me come on the spot. I creamed the skin around her ring, gently probing her sphincter while caressing her delicate rose-tinted orifice until she had relaxed enough to allow my finger to fully enter her bottom-hole. Using my other hand to stimulate her clitoris, I pushed my finger deep inside her bum, enjoying the warm velvety feel of her back passage for a moment.

Next, I scooped up a handful of cream, thickly coating the gorgeous crevice between her bum-cheeks and smearing it along her delicate spine. Then I turned my attention to the cherries. Placing them strategically along the ridge of her backbone, I embarked at last upon the wonderful task of licking the cream from her body.

Beginning at her neck, I tongued downward toward her arse, nibbling at the cherries as I went and causing increasingly violent shudders of anticipation to pulse through her frame. As I lapped hungrily at her ring, she pushed back against my tongue, begging me to fuck her.

Lifting her pelvis up I positioned myself between her thighs and, feeling her swollen pussy lips with the head of my engorged penis, I held her hips and took her from behind, thrusting my cock ball-deep into her welcoming snatch. I'm not ashamed to say that I rode her with more abandon than I'd ever ridden any girl before, fucking her pussy hard with my throbbing dick.

She gasped for breath, pushing back to meet my eager thrusts and, smearing the remnants of the cream into her buttocks once again, I felt myself erupt, my straining

BEXI & ZARA

Age: 22 & 28 **Vital Stats:** 32DD-26-31 5'7" & 30FF-24-32 5'6"
Photographer: BB Media

Before you start writing in, yes, we're perfectly aware that Zara Mae here has been known by another name in the magazine, but she's decided to consolidate her modelling name across all platforms now, so she's Zara from now on, alright? And let's face it, irrespective of what she's called, she's looking hornier than ever, isn't she? No wonder Bexi Williams can't keep away from that inviting snizz of hers – and vice versa, as it happens...

tool exploding my own cream deep inside her. As I came, so did she, wailing like a banshee and arching her back as her vaginal muscles squeezed and contracted almost painfully around my empty member.

After relaxing with some wine, we continued our food play – it turned out that Vivien had a penchant for giving creamy blow-jobs, much to my delight! She stayed over that night and, despite the distance between us, we still meet up occasionally to indulge our edible fantasies...

Owen, Beswick.

GREECE IS THE WORD!

Dear *Mayfair*,

I know Greece has been having a pretty rough time of it of late, but if they've got the gene pool to produce a girl as stunning as Zoi, then it's clearly not all bad! What a tremendous beauty she is, and while I've been impressed with her earlier appearances in *Mayfair* over the last two or three years (including a couple under a different name), the latest set of her, in 51.02 was in a totally different league! Those wonderful brown eyes appear to be so soulful, and with the rest of her heavenly face, not to mention her divine body, she really is the perfect package. I can only imagine how lucky some guy must feel to wake up next to her every morning – I think I'd have to pinch myself repeatedly every single day!

Please say 'Yasou' to the lady herself from me, and thank her for making such a breathtaking appearance in your magazine!

Will, Colchester.

Thanks Will – although Zoi has asked us to point out that she's half Scottish as well – and we strongly suspect that side of the family don't exactly look like Russ Abbot's 'See you Jimmy' too much!

SUPERMARKET SWEET!

My wife Sian works for a local mini supermarket and the other day I popped into see her during her shift. She works on the fresh produce department and when I saw her she was bending over a few crates of apples, her nice round arse desperate to burst out of the tight trousers she was wearing.

I crept up behind her, adopted an unusual accent and then whispered in her ear, "I'd really like to fill that arse of yours!"

"Who the...?" Sian exclaimed as she spun round expecting to see a total stranger.

When she saw it was me the look of seriousness disappeared from her face and she flashed a wicked grin.

"Sorry, luv, I couldn't resist it," I said, "grabbing hold of her firm arse."

"Hey! Not here," she replied. "I'm due a break, so follow me."

Sian led me into a staff only area and then into a large storeroom containing big shelves of fruit and veg. We found a dark corner and started kissing.

Sian then pushed me down onto the edge of the shelving and took her top off, letting her perky tits bounce into my face. As I chewed on her nipples her hands worked down my trousers, letting my stiffy bounce out into her hand. She began wanking me off fiercely, gritting her teeth and rubbing her tits in my face. Then she got on her knees and started sucking me off. She's got the perfect blow-job mouth and always uses it well, working me right to the back of her throat and then bringing her lips back over my bulbous head, over and over again.

She must have known I was about to cum because she then stood up and abruptly said: "No! I want your cock in my pussy."

I was only too willing to oblige and as she turned round I pulled her knickers down over her arse and stroked her wetness with my fingers. She moaned in response and pushed back on my hand.

"Fuck me!" She said with a broken, desperate voice, and sure enough I obediently stood up and worked my stiff rod into her dripping wet pussy.

> WE WERE BOTH GRUNTING AS I RAMMED MY SHAFT IN AND OUT OF HER GUSHING HOLE.

"Fuck me hard!"

I was sure someone would hear us because we were both snorting and grunting like pigs as I rammed my shaft in and out of her gushing love hole, she screamed so loud when she came a few seconds later my heart started beating really fast just waiting for one of her colleagues to interrupt us. But no one did.

Sian had fallen onto her knees on the floor now. She was leaning forward, I was behind her and ready to push my prick into her pussy when she grabbed my cock and demanded, "Fuck me in the arse."

With that she started rubbing my swollen head between her bum cheeks. It was almost like she was pleading me to bugger her and my cock was so juiced up from her pussy that it didn't take long before I'd got a couple of inches past her tight brown ring – and then it just popped all the way in. I grabbed her waist as I banged away at her rear.

Her bum was so tight it didn't take long before I could feel my balls swell up and I took out my cock just in time to gush a wad of cum over her rapidly shrinking arsehole. A good thing really because my pounding arse stokes had caused her to groan slightly louder than I would have liked.

As soon as we were both spent, we got our clothes back on and quickly returned to the shop floor as if nothing had happened. As I said goodbye to my wife I told her not to worry too much about getting randy on the rest of her shift, I'd be waiting for her at home. Sian, being the dirty slut she is, just eyed up a pallet of courgettes and said to me, "I think I'll be alright until then!"

ARIANA

Age: 23 **Vital Stats:** 32C-28-33 5'4"

Ariana's not just one of those girls who likes to model for magazines – she's also quite an avid reader as well...

"Yep, I love looking at beautiful female bodies, whether they're in magazines or on video – especially if they're playing with their pussies. Or someone else's!"

So is that what got you into modelling then?

"Not really – I just always liked showing off and getting people's attention. And there's no better way of getting people's attention than stripping off!"

Very true.

FAST AND... LUSSO!

Got £230k or so knocking about? Then we can't think of a finer way to spend it than on one of these...

Ferrari are billing the 2016 Ferrari GTC4 Lusso as a unique car, for a whole new world. We're not too sure what the reference to a new world is all about (one that's been utterly ruined by our dependence on fossil fuels, perhaps?), but we'll agree that the GTC4 Lusso is unique. They're aiming the luxurious hypercar at drivers wanting to experience the pleasure of driving a Ferrari anywhere, anytime, be it on short spins or long journeys, along snowy mountain roads or through city streets. Whether they're alone or in the company of three lucky passengers, drivers who demand exceptional power but refuse to compromise on in-car comfort, sporty elegance and impeccable detailing will be drooling at the prospect of getting behind the wheel of the latest addition to the Prancing Horse family.

While there are some clear exterior differences from its predecessor, the Ferrari FF, the styling changes from one car to another could be called evolutionary rather than revolutionary. The most notable of these upgrades include a new front grille with integrated air intakes, new air vents on the rear wing, a tasty looking roof-mounted rear spoiler and a new diffuser. Ferrari claim that these improvements result in creating a drag coefficient that is "substantially lower" than that of the FF.

The GTC4 Lusso's sporty soul is underscored by the styling of the rear, with the focal point being Ferrari's signature twin rear lights adorning the tail. These not only emphasise the car's muscular shoulders and broaden it horizontally, but they work visually with the tail pipes to lend a sense of imposing power to the rear.

With a price tag that is bound to be quite hefty you'd expect the interior of the GTC4 Lusso to be just as impressive as the exterior, and it is! The meticulous attention to design and carefully executed detailing has produced a cabin that is a flawless triumph of sporty luxury. Its dual cockpit architecture is designed to enhance the driving experience for both driver and their front-seat rider, with the latter having their own generous optional display with a plethora of functions including an all-new G-Force meter. Putting the innovative dual cockpit aside, the cabin's most striking feature is the beautiful craftsmanship of the materials, which have been painstakingly selected and combined to enrich the atmosphere on board. The generous wraparound seats guarantee all four occupants exceptional comfort and room, creating the same ambience as a luxurious living space.

The GTC4 Lusso also debuts the new Infotainment platform featuring a 10.25" HD screen with capacitive touch technology. The new steering wheel is also more compact thanks to a smaller air bag and the integrated controls are more ergonomic than ever, making for an even sportier driving experience.

Powering the GTC4 Lusso is the same 6.2-litre V12 engine already fitted to the FF, but the clever boffins at Ferrari have managed to squeeze a few extra horses out of the unit, increasing the power from 651bhp to an impressive 680bhp at 8000rpm. Armed with this extra power, the GTC4 Lusso can reach 62mph from a standing start in 3.4sec - 0.3sec faster than the FF - while its top speed is unchanged at 208mph. As before, drive is channelled through a seven-speed dual-clutch transmission, with the soundtrack of the engine brilliantly reflecting the car's multifaceted personality: it is rich and powerful during performance driving and discreet yet harmonious in the city.

> THE METICULOUS ATTENTION TO DETAIL HAS PRODUCED A CABIN THAT IS A FLAWLESS TRIUMPH.

Performance and style are the key ingredients in all Ferraris, and the GTC4 Lusso has both of these in abundance, but what really sets it apart from the pack is it's exceptional versatility. As with the FF, the GTC4 Lusso has four-wheel drive, but for the first time in a Ferrari, rear-wheel steering is incorporated into the package too. The new, improved system, dubbed 4RM-S, features Ferrari's Slip Side Control setup, and works with the car's electronic differential and dampers. All of these sophisticated vehicle dynamics controls are seamlessly integrated by Ferrari's proprietary software and enable the driver to effortlessly handle the GTC4 Lusso's extraordinary torque even on snow-covered, wet or low grip roads. The result is tremendous stability and a sensation of masterful control and security that translates into

"PERFORMANCE AND STYLE ARE THE KEY INGREDIENTS IN ALL FERRARIS, AND THE GTC4 LUSSO HAS BOTH OF THESE IN ABUNDANCE."

superior performance and ride comfort.

There's no official word on the price for the Ferrari GTC4 Lusso just yet but you can expect it to be in the region of the FF's list price of £226,023 so you'd better get saving! On the plus side, this does come with seven years' free maintenance and four years' unlimited-mileage warranty, so there shouldn't be too many unexpected costs elsewhere once you've shelled out the initial amount.

Ferrari will be officially display the GTC4 Lusso at the upcoming 2016 Geneva motor show and we're sure there will be plenty of minted Ferrari enthusiasts waiting impatiently with their cheque books at the ready.

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 23 Lyon Road, Hersham, Surrey, KT12 3PU.

A guy with a black eye walks into a pub and orders a large scotch. The barman says, "Having a tough day?"

The guy says, "Yeah. My wife and I were doing the dishes last night and she said, 'Why don't we ever make love like in films?' So I bent her over the kitchen table, ripped her pants down and rammed it in. I piledrivered her and slapped her on the arse as I pummelled her. Then I pulled out, turned her around and blew my load all over her face."

The barman said "Wow! But what's up with the black eye?"

"We watch different kinds of films."

"Janice - give us a gobble!"

A married couple is lying in bed one night. The wife is curled up, ready to go to sleep, and the husband turns his bed lamp on to read a book. As he's reading, he periodically reaches over to his wife and fondles her special bits. He does this a few times, but only for a very short interval before returning to read his book. The wife gradually becomes more and more aroused and, assuming that her husband is seeking some encouragement before going further, gets up and starts stripping in front of him. The husband is confused and asks, "Why are you taking off your clothes?"

His wife replies, "You were rubbing my pussy. I thought it was foreplay."

The husband says, "No, not at all. I was just wetting my fingers so I could turn the pages in my book."

Two parents take their son on a holiday to a nudist beach. The father goes for a walk on the beach and the son goes and plays in the water. The son comes running up to his mom and says..."Mommy, I saw ladies with boobies a lot bigger than yours!"
The mum says, "the bigger they are, the dumber they are." So he goes back to play.

Several minutes later he comes running back and says, "Mummy, I saw men with dingers a lot bigger than Daddy's!"
The mum says, "the bigger they are, the dumber they are." So he goes back to play.

Several minutes later he comes running back and says, "Mummy, I just saw Daddy talking to the dumbest lady I ever saw and the more and more he talked, the dumber and dumber he got!"

A blonde woman is walking down the street, with her blouse open. A policeman spies her and thinks, 'Boy, my eyes must be going, it looks just like that woman's right breast is hanging out!'

As he gets closer it becomes apparent that her breast is indeed hanging out. When he gets face to face with her he says, "Ma'am, I could arrest you for indecent exposure?"

She says, "Why, officer?"

"Well, your breast is hanging out."

She looks down and says "OMIGOD, I left the baby on the bus!"

A woman takes her little boy to visit their dead relatives' gravestones at a cemetery. The little boy has never been to a cemetery before. The woman first takes her son her grandmother Annie's gravestone. The initials under Annie's name say R.I.P. The little boy asks, "Mummy, what does R.I.P. stand for?"

The woman replies, "It stands for 'Rest in Peace.' That means we wish for Grandma Annie's spirit to find peace in the afterlife."

Then, they come across the gravestone of the woman's uncle Joe. The little boy asks, "Mummy, what does R.I.H. stand for?" pointing to the initials printed under Uncle Joe's name.

The woman simply replies, "We really didn't like Uncle Joe."

A chap walks into a bar with his pet monkey. He orders a drink and while he's drinking it the monkey jumps around all over the place, grabs some olives off the bar and eats them, then grabs some limes and eats them, then jumps on the pool table, grabs the cue ball, sticks it in his mouth and swallows it whole.

The bartender screams at the guy, "Did you see what your monkey just did? He just ate the cue ball off my pool table, whole!"

"Yeah, that doesn't surprise me," replied the patron. "He eats everything in sight, the little bastard. I'll pay for the cue ball and stuff."

Two weeks later he's in the bar again, and he has his monkey with him. He orders a drink and the monkey starts running around the bar again. While the man is drinking his drink, the monkey finds a cherry on the bar. He grabs it, sticks it up his arse, pulls it out, and eats it.

The bartender is disgusted. "Did you see what your monkey did now?", he asks.

"Now what?", responds the patron.

"Well, he stuck a cherry up his arse, then pulled it out and ate it!" says the barman.

"Yeah, that doesn't surprise me," replied the patron. "He still eats everything in sight, but ever since he ate that cue ball he measures everything first!"

Look, we'll admit it – we've been a bit slow off the mark when it comes to featuring the delectably horny Ree Petra in *Mayfair.* She's been wowing her fans in a series of naughty flicks in recent years, and now, at long last, here's a chance for *Mayfair* readers to cop an eyeful for themselves! She's only a wee thing, too – just 5'4" of pure sexuality – especially with those tremendous boobs! And rest assured, we'll be doing our utmost to make up for lost time from now on!

Scene from MAYFAIR

One of the biggest hits of last year gets the home entertainment treatment, but if you fancy something a bit more leftfield, well this month's selection should be right up your alley as well!

SPECTRE

Editor's PICK

Well, the eagerly awaited Bond reunion between Daniel Craig and *Skyfall* Director Sam Mendes crashed onto the big screens at the back end of last year, and now, with the ringing still in our ears, here it is on DVD and Blu-ray. But assuming you saw it at the cinema does it stand up to a second viewing on the smaller screen?

First off, there are some splendid set pieces (it'd be rude not to in a Jimmy B flick!) – the opening in Mexico City certainly stands comparison with the best of them – is the Day of the Dead celebration really anything like that stylish? – with the helicopter punch-up particularly dazzling, but after that the film largely feels (even) more like a retread of practically every previous film on the series, with one trope after another getting ticked off the list. Christopher Waltz returns as Blofeld, and the ever-lovely Monica Belucci is a welcome addition… but *Skyfall* remains the high water mark of recent releases, frankly.

JEAN-LUC GODARD COLLECTION

That's the blockbuster review out of the way for this month, and now we're straying into my arthouse territory! Studiocanal have done a splendid job brushing up and boxing up 5 of French terrible child (presumably the French use the English expression – it's only fair) Jean-Luc Godard's most acclaimed films. He first made a name for himself with 1959's *Breathless* (aka *À Bout De Souffle*), in which Jean Paul Belmondo stars as a stylish young hood on the lam in Paris, while 1961's *Une Femme Est Une Femme* introduced audiences to the gorgeous Anna Karina (Godard's one-time wife), who plays a stripper involved in a love triangle. Karina also stars in *Pierrot Le Fou* and *Alphaville*, while Bridget Bardot shines in *Le Mépris*. There are shedloads of extras – interviews with Karina, documentaries, trailers and full on short films thrown in as well. All in all, an embarrassment of riches!

HAWKS AND SPARROWS/PIGSTY

From ground-breaking French cinema of the mid-20th Century we head a few years later and a few miles south to Italy, where controversial Director Pier Paolo Pasolini was making some pretty weird films indeed! *Hawks and Sparrows* finds comic actor Totò (in a final flourish the year before his death) walking the land with Ninetto Davoli playing his son. They get into all sorts of peculiar situations (not last an encounter with a talking crow) that highlight the schizophrenic nature of the Italian state at the time. *Pigsty*, meanwhile, features two parallel plots – a savage wandering through a wasteland who turns to cannibalism and the plight of a young man in modern Germany. They both take a bit of getting your head around, but hey – they don't make 'em like this any more!

DANI MAYE

Age: 25 **Vital Stats:** 34D-25-36 5'10"
Photographer: BB Media

Ah, if it isn't the one and only Danielle Maye – quite possibly the most statuesque British models of recent times (although to be honest I can't think of too many statues with such stupendous boobs – perhaps the museums keep those ones locked away or something?). What with those shapely long legs of hers, she's so tall it's practically impossible not to talk to her boobs rather than her face – not that the Ed ever does much else, frankly.

Harmony

NYMPHOMANIAC CONFESSIONS

★★★★★

Editor's PICK

CAST: Alexis Texas, Megan Coxxx, Jenna Haze, Samantha Bentley, Brooklyn Lee, Tori Black, Aleska Diamond, Lexi Belle, Ruth Medina, Kristina Rose.

If that looks like a suspiciously impressive cast list for Harmony to have assembled for one flick you're kind of right – this is actually a compilation of some of the standout scenes from their Nymphomaniac titles, in which big-named stars get up to all sorts of no good in order to demonstrate just how wanton their carnal cravings are. Still, there aren't likely to be too many people out there who've got – or even seen – all the eight scenes on offer here (that's right, 8. The film clocks in at a near-DVD-busting 3 hours 52 minutes) and, well, they are a very strong collection!

Tremendously-tushed Alexis gets the ball rolling, and while her scene is certainly a cracker, with plenty of reverse cowgirl along the way, it does little to prepare you for what's to come later, highlights of which include a frantic double-dicking for the lovely Tori Black in which her arse gets a real workout, and a possibly even filthier DPing for anal adventuress Jenna Haze. The one lesbo scene features Sam Bentley and is, therefore no slouch either!

★★★★☆

Adult Channel

BRIDES

CAST: Trasey Lindsey, Caprice, Iwia, Lola, Valentina Nappi, Cayenne Klein, Tina Blade.

We don't doubt that for most girls there's something extra exciting about trying on your wedding dress for the first time, but for Trasey, who's having her outfit made by Caprice, there's an extra thrill thrown in on top – a lesbian bunk-up! Once she's got her gown on the girls don't waste much time in getting it off again, and set about poking fingers and tongues into each other in what proves to be a suitably trouser-tenting opener.

Iwia, racked by doubts, does a runner from her own wedding – only for her groom to chase after her and, by way of reconciliation, poke his knob down her throat. What follows is a touching make-up shag, thankfully out of sight of the officiating priest.

Other highlights include a white-bodiced boning for lovely blonde Lola, and a venture round the back for Valentina's lucky secret beau. With a solid threesome to round things off, anyone with a hard spot for weddings and lingerie will be well served by this offering.

Wicked

ASA GOES TO HELL

CAST: Asa Akira, Aiden Ashley.

No doubt there are plenty of God-fearing types who will feel this exactly the fate in store for the comely Miss Akira, given the spectacularly filthy acts she's engaged in on screen these last few years, but I'd like to think that any heaven worth the name would have room for babes as horny as this in it!

Ahem, anyway, poor Asa finds herself walking the streets alone one night, looking a bit baffled by everything, when she chances upon a couple making out in a side alley. Clearly a slave to her own instincts, she instantly strips off completely and frigs herself silly, the amorous couple seemingly totally unaware just a few feet away. I'd like to think that if Asa was having a wank a few feet away from me I'd probably notice it, but then I do have a good eye for that sort of thing.

★★★★☆

Her orgasmic odyssey continues courtesy of Aiden, the pair lezzing up heroically in a rather demonic looking throne room, all the while being watched approvingly by a masked demon of some sort. And me.

Blowies for three studs clad entirely in black latex ensure that Asa's downward spiral continues apace and then it's time for an anal drilling courtesy of a rather smiley satanic type. Not that I can blame him for looking so chuffed. Her damnation is complete, though, when a couple of black studs double team her and squirt (not just their own) cream over her. Bizarre, but good dirty fun nonetheless!

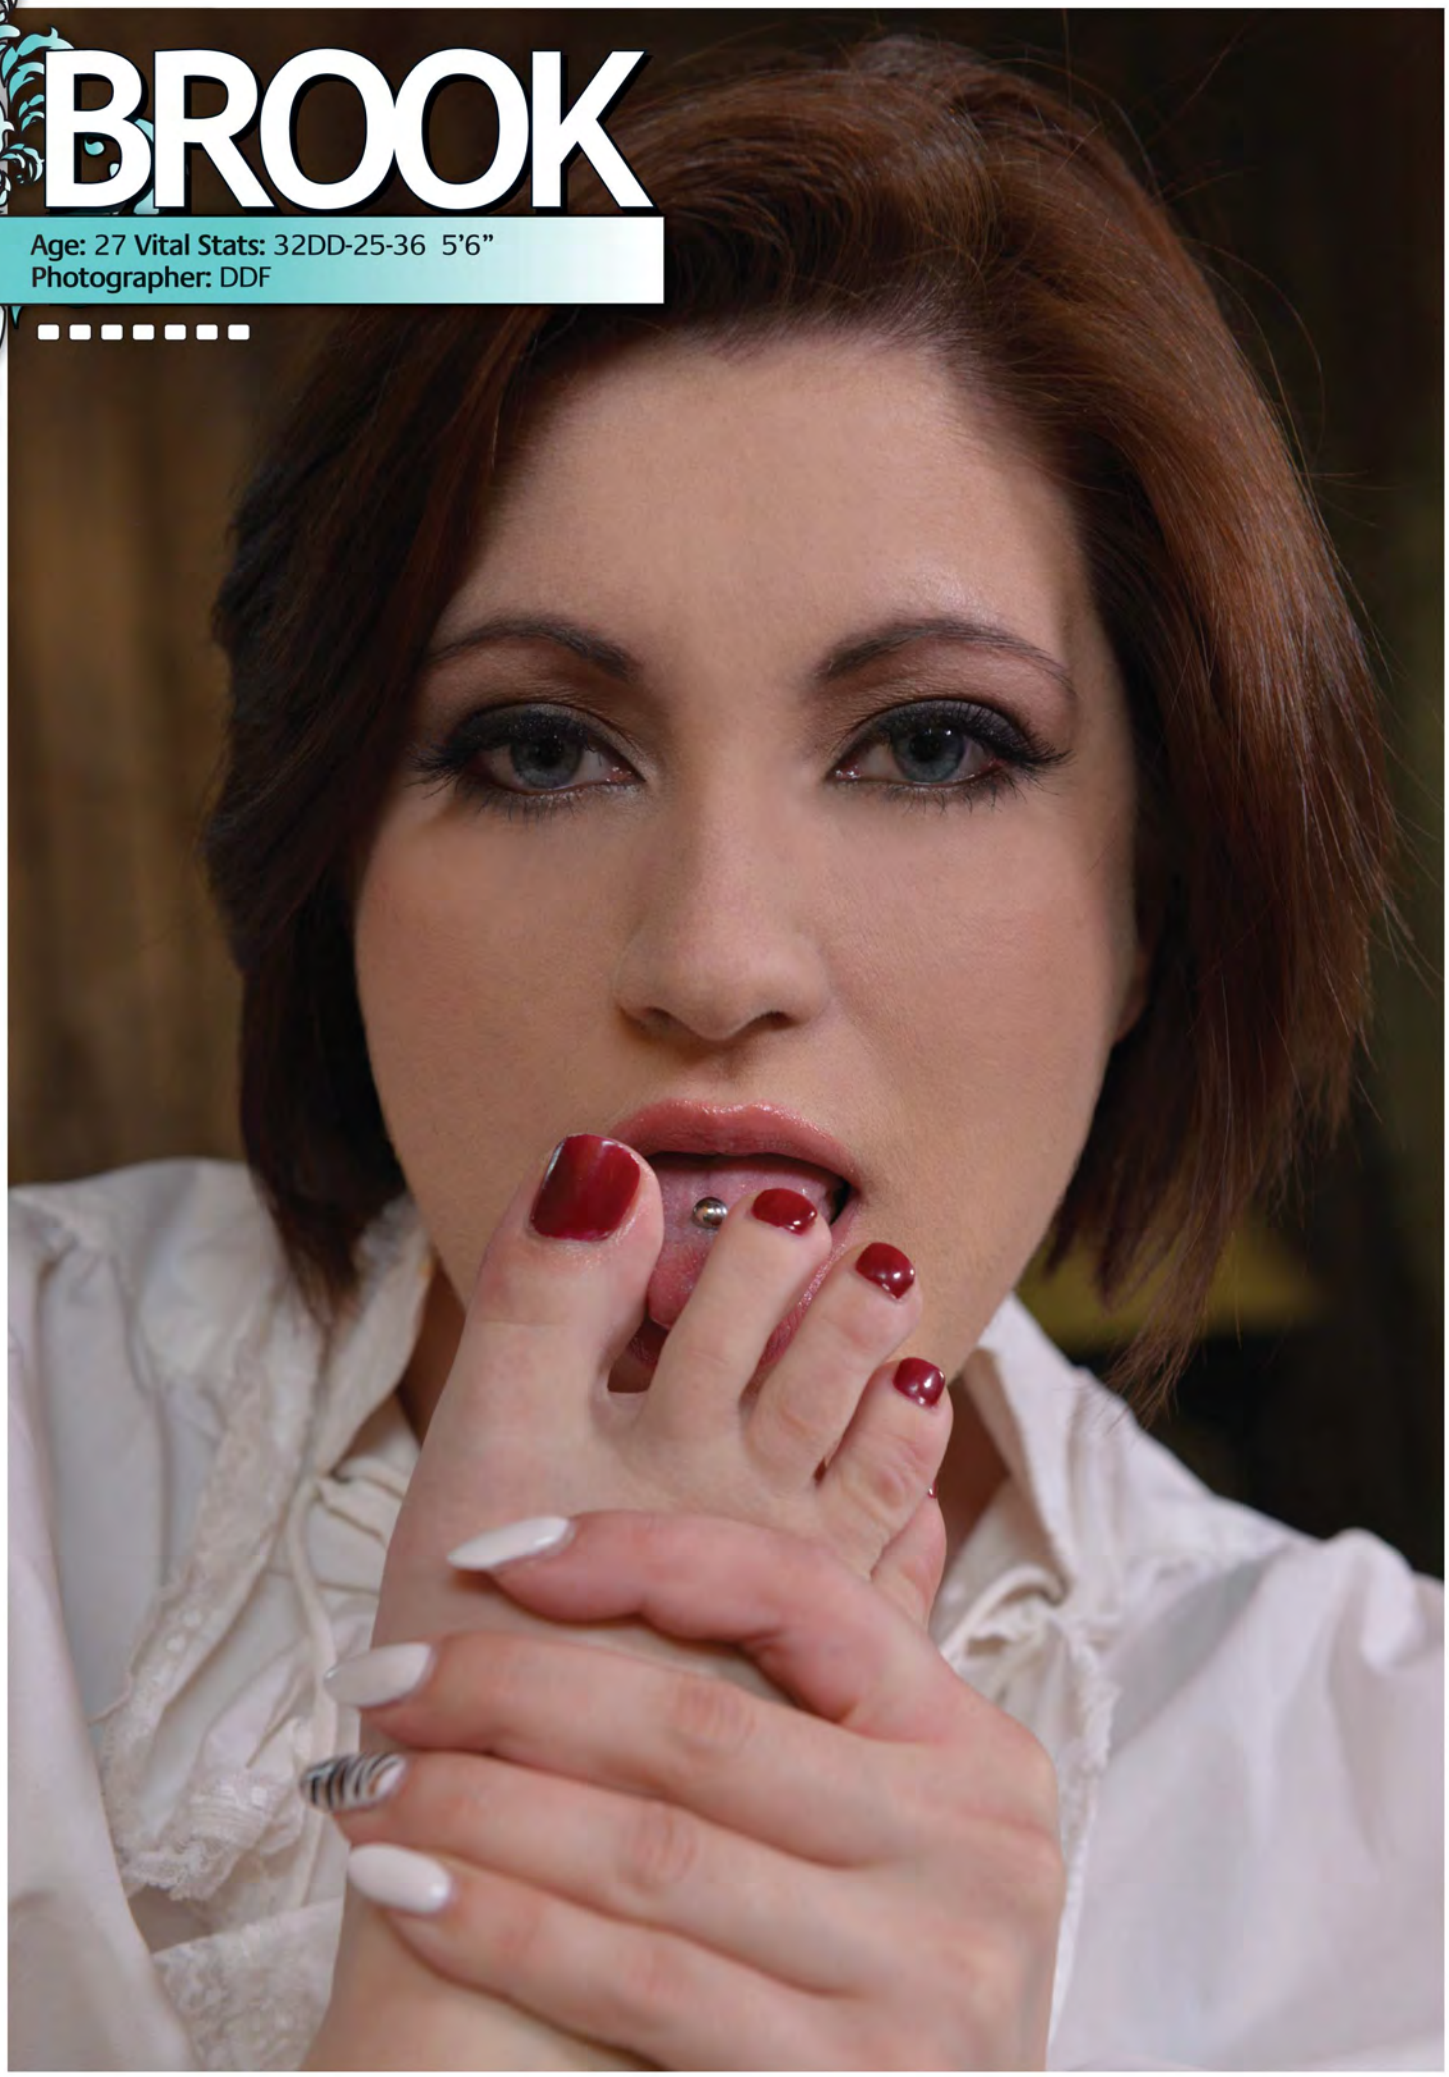
BROOK

Age: 27 **Vital Stats:** 32DD-25-36 5'6"
Photographer: DDF



Here's something a little different, for all those foot lovers out there who love nothing more than the sight of a nice set of tootsies and the whiff of a well-worn pair of leather boots! Bit with her puffy shirt, jodhpurs, riding boots and crop, is Brook actually a bit of a horsewoman, or is she just having us on?

"I've ridden a horse a few times – and I can definitely see the appeal! Bouncing up and down on something big, powerful and sweaty certainly has something to be said for it!"

And could we tempt you to something small, puny and sweaty?

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

I class myself as quite a sexually adventurous girl, but having never experienced alfresco sex I had high expectations for a bit of outdoor experimentation when I went on a two-week break at an all-inclusive resort in Mallorca with my best girl friend, Nisha.

We spent the first week sunning ourselves by the pool, keeping our eyes open for any talent but were severely disappointed – apart from dads, husbands and fat, balding blokes, there was a real lack of any male species around! The only eye candy were the two lifeguards on duty at the adjoining beach – and boy, were they hotties! Their tanned bodies with their well-defined muscles made my clit tingle and I couldn't help but gawp at them as they worked. Thank goodness for sunglasses!

So Nisha and I did everything we could to attract their attention, flirting outrageously whenever we passed them, flaunting our near-naked bodies as we strutted along the hot sand. However, they obviously took their jobs seriously, barely coming on to us and certainly not leaving their posts. However, I did catch them eyeing me up a few times, so I figured that if I could catch one of them at the right time, my luck might just be in…

It was halfway through the second week when Nisha and I made a bet about who could pull one of the hunky lifesavers. Having tried everything else in my repertoire, I hatched a plan of how to get their attention, without compromising their precious job security!

I swam as far from the crowd as possible and began calling out and splashing around in the water. It wasn't long before someone noticed and people began shouting and pointing towards me. Naughty perhaps, but desperate times call for desperate measures!

Very soon, the two sexy lifeguards that I'd been eyeing up were swimming strongly towards me. Before long I felt the strong hands of the first lifeguard, a beautiful blonde, gripping me from behind, supporting my weight as his partner joined him. Throwing my arms around them and breathlessly thanking them, both in English and my best Spanish, I nuzzled into them and pushed my body against them in turn. I was pretty sure that they got the message, but just in case I was being a bit subtle I began kissing the first guy's neck.

Pulling back in surprise momentarily, it didn't take him long to change his mind and he planted his lips firmly on mine, his tongue finding its way inside my mouth roughly. His mate said something in Spanish (or maybe Catalan!) and the first guy stopped kissing me long enough to reply, before continuing to snog my face off. Whatever they said to each other obviously worked as I felt the second lifeguard begin to feel me up, his hands groping my bum cheeks before worming their way up to my boobs to pinch my nipples.

Name: ANNA
Age: 27
From: WIRRAL

My breathing became ragged as they held me firmly between them, their hard bodies keeping me afloat as their hands wandered all over my bikini-clad frame. Turning to face the blonde, I kissed him passionately and threw my legs around his waist, while his mate pushed his rigid cock up against the crack of my arse. This turned me on so much I threw my head back so it was on his shoulder, allowing his mate access to my full breasts. Pulling my bikini top down he sucked on my nips, making me gasp with delight and I felt his dick swell against my pussy. This was the stuff my dreams were made of!

By now, the man behind me had his fingers down the back of my swimsuit and was skillfully probing my juicy fanny with his fingers, dipping them inside my aching hole. I moaned loudly, knowing full well I couldn't be heard.

Meanwhile his partner gently pushed my legs down from around his waist and begun to remove my bikini bottoms. Eventually achieving his objective, he looped the leg of them around his wrist and joined his mate in sticking a finger into my willing cunt. I had never been fingered by two guys at once before and I squealed, my stomach doing somersaults. My pussy muscles gripped eagerly at them, and, encouraged by my response he grinned wickedly at his friend and said something to him in Spanish.

> "HOLDING ME BETWEEN THEM THEY FUCKED BOTH MY HOLES..."

Looking around furtively – I assume to check there was nobody in jeopardy – they whipped them off and attached them to the lifesaving floats that bobbed on ropes from their wrists. Now naked, the one behind me began nudging his cock head against my anus while his friend held me steady.

My sphincter stretched, allowing access to his large cock and I groaned as I felt it insert inch by inch, my rectal muscles gripping the thick shaft. With a little jerk of my butt, his full length was lodged inside me, filling my clenching aperture. I absolutely love bum sex, so was already in blissful heaven, but when the blonde hunk continued suckling on my salty nipples I thought I'd come there and then! But he wasn't done yet: gripping my hips he eased his cock inside my excited cunt, adding immeasurably to the sweet sensations his friend was engendering in my arsehole.

Holding me between them, they fucked both my holes as our bodies bobbed up and down in the buoyant seawater. It felt so delicious and naughty, being double-teamed in the baking hot sun and cool water, that

(unsurprisingly) I came really quickly, crying out as wave after wave of spectacularly climactic orgasm washed through me, causing me to shudder violently. The tightening and convulsing of my pussy muscles made both men come almost instantly and simultaneously, their stiff members spewing hot spunk inside my holes, filling me to the brim with their molten cream.

After removing their deflated pricks from my orifices and, somewhat awkwardly replacing their swimming trunks, my lovers swam me back to the shoreline – trying to maintain an air of professionalism, despite it being fairly obvious to anyone who cared what we had been up to!

Although I hadn't mentioned my sneaky plan to Nisha, she had been watching my antics from her sun-lounger, and when I finally made it back to shore, she couldn't hide her jealousy! Not only had I accomplished my mission of finally experiencing an outdoor shag, I'd won our little bet – and done it in the most spectacular way possible! We'll definitely be returning to the same hotel next year – and Nisha reckons she'll outdo me next time. I reckon she'll have her work cut out for her!

I was asked to go on a secondment at work. As usual with these things, there was no more pay but a lot more work. 'It'll look good on your CV' is what they'd said. But the reason that I took it was because I would be working for a guy called John – otherwise known as 'Big John'. I had been expecting John to be on the portly side before I met him but he turned out to be a rather handsome chunk of muscle. I enquired as to why he was known as 'Big' John and his assistant, Effie, giggled. "He's big… you know – down there."

"THE TIGHTENING AND CONVULSING OF MY PUSSY MUSCLES MADE BOTH MEN COME INSTANTLY AND SIMULTANEOUSLY..."

Name: JEN
Age: 25
From: WOKING

I felt myself blushing, having never discussed penis size with a work colleague before. I wanted to ask how she knew, about actual dimensions but couldn't summon the courage and changed the subject.

Armed with that vital piece of information about my new boss, I found myself fantasising about making love to him. It was hard to concentrate when he was around me. I kept looking at the lump in his trousers and thought about easing his zipper down and taking a peek inside. In fact, it would be accurate to say that I was soon obsessed with the contents of those trousers. But the interest seemed to be entirely one-directional. Even when I wore my tartiest blouses and leant over to look at something on his desk, John never took even the sneakiest peak at my cleavage. It was disappointing and frustrating: no guy had ever ignored my wares before. However, there was a reason why he didn't dare look, as I found out when I came back from the gym to pick-up my things one night.

The office light was on, which wasn't unusual – John often worked late. What was unusual were the noises emanating from the room: someone was having sex. The connecting door was open and I tried to sneak past to get to my stuff. Unfortunately, Effie gasped as she spotted me tip-toeing past. I couldn't help but turn towards the sound. She was sitting in John's chair behind his desk and she appeared to be

wearing only a look of surprise. I'd seen her sitting at that desk hundreds of time before. But never quite like that; her make-up and hair were exactly as she wore them every day for work. Which made the fact that her breasts were completely bare all the more surprising. She froze but I could hear sucking and squelching noises coming from under the desk. Effie hissed something and my mouth fell open as John popped up like a meerkat from between Effie and the desk and swivelled round to look at me.

I was getting ready to run but John stood-up before I had time to turn away. My boss's cock came into view and I couldn't help but stare at it. He was generously endowed – for a porn star. His cock was literally twice the size of my boyfriend's. Not only was I not running away but there was an unmistakable surge of excitement which led to a moistening between my legs. I'd gone from being horrified to turned-on in seconds. John strolled over with his magnificent cock waving from side to side. I was mesmerised, not resisting as he put his hand around my waist and pulled me forward – forcing my unresponsive legs to take a couple of jolting steps before shutting the door behind me. Then he kissed me. My mouth and nose were filled with a strange, yet familiar musky scent. As John worked my lips, I realised that I was tasting my work colleague's pussy juice.

"Can you taste her?" John asked knowingly, nodding towards Effie. I nodded. Perhaps realising what was coming next, Effie rotated the chair and stretched her legs apart. "Why don't you go and get a proper taste?" I stumbled round the desk, wondering what the hell I was doing. 'I'm not a lesbian,' I kept thinking to myself… but I did like the tangy aftertaste that was filling my mouth. Would it so bad to put my mouth down between Effie's legs? Effie for her part was watching me very carefully, perhaps even more surprised by this turn of events than me. As I knelt between her knees, Effie tried to use her fingers to spread herself open, however her pussy was so juicy that her slippery labia refused to be held in place and kept escaping her grip. It didn't matter as my mouth pressed against her pussy and I started to lap at her hot, wet flesh.

I couldn't believe what I was doing as I worked my tongue around the soft interior of Effie's private parts. I'm well-versed in the art of cock-sucking but the skills weren't transferable – what was I supposed to do when giving oral sex to a woman? Only then did I realise the significance of what I was doing, the boundary I had just crossed. I suddenly felt dirty… and excited. Without thinking about it, I pushed my hand down my running shorts and fingered my own pussy.

> "EFFIE RAN HER HANDS OVER MY NAKED BUTTOCKS AND INTO THE SENSITIVE GROOVE BETWEEN."

I still had no idea what I was doing with my mouth but I did it with enthusiasm. That seemed to be enough: every movement of tongue and lips met with delighted gasps of pleasure.

Eventually I found Effie's clit. I could feel it as a smooth, soft pearl, peeking out from under a harder nub of flesh which resisted my tongue. Knowing how amazing it feels when a mouth concentrates on this most sensitive of flesh, I kept my tongue gently teasing, flicking at it again and again. I could hear that Effie was approaching orgasm and couldn't help smiling even as I sucked her juices into my mouth. Effie's breathing became increasingly broken, coming in gulps and gasps. Her hips angled down towards me and then she let-out a high-pitched cry of intense sexual relief. Her body spasmed against my face and I was filled with elation at having made her orgasm.

Effie moved forward, straddling my back as I knelt on my elbows and knees. I felt her thumbs inside the elasticated band of my shorts. Moments later, they ran all the way down my thighs to the floor. I couldn't tell whether my knickers had gone with the shorts. Then Effie ran her hands over my naked and very exposed buttocks and into the sensitive groove between. "She's got a great bum, hasn't she John? You can tell she does a lot of running." There was a grunt but John was too busy taking aim with his cock to engage in conversation. I felt the tip press against my pussy: hot and blunt. About to be penetrated by the biggest cock I'd ever seen, I started to lose my grip on reality. It felt like it was happening to someone else as Effie's hands pulled on my skin. She was helping our boss get his enormous cock inside me – taking her role as his personal assistant to very extreme levels. My pussy stretched and then accommodated. I let out an extended grunt as this mammoth cock suddenly slid into me.

It felt like I was being fucked by a rolling pin as John ploughed into me. At first, I was shocked that my little pussy could take such abuse but as he drove in harder and deeper, I found that I loved it. Perhaps this could be the start of a sexy new adventure. It was about time that I went a little crazy and had a bit of fun. And here it was being offered to me on a plate: if they were willing to let me in on their office shenanigans, I was more than happy to join in. Effie reached underneath me and as our boss fucked me, she played with my clitoris. Even given my level of arousal, it was surprising just how powerful the sensations were as I was simultaneously fucked and fingered. I began to come, not in a big bang but in a whole series of fabulous little explosions. Was this a multiple orgasm? My over-stimulated pussy was twitching and contracting in a seemingly endless wave of ecstasy.

My pussy began to throb and I needed to finish myself off. What I did next surprised me. Without thinking, I wet my finger in my mouth, slid it along my back and pushed it down into my arse. It's the best way for

> **"I COULDN'T BELIEVE WHAT I WAS DOING AS I WORKED MY TONGUE AROUND..."**

me to get off when I masturbate. However, I've never done it in front of anyone else before. Only after the enormous eruption of my final orgasm had finally faded did I realise what I'd done in front of my boss and his PA. Effie pulled me into a crouch and kissed me. Out of the corner of my eye, I saw John wanking his cock and as he groaned we were both showered with fountains of juice.

"You're more than welcome to join us for a session any time," John joked as we left. I've taken them up on the offer a few times now – it makes a change from going to the gym and I still go home feeling as though I've had a great work-out.

I've just back from holidaying with a large group of friends in Cornwall. As usual, we rented a holiday home so we could come and go as we pleased, without any reception staff giving us gyp for being drunk. On our last night, everyone clubbed together to buy enough booze for an all-night party, for ourselves and any friends we'd made during the fortnight we were down there.

Halfway through the evening, we drunkenly decided we were going to go skinny-dipping off the beach when the sun came up. I like my body, but I didn't feel like I could compete with some of the big-titted, curvier girls there. I started feeling a little paranoid about the whole naked thing, but then I had an idea.

I locked myself in the upstairs bathroom, nicked a big handful of one of the boys' shaving foam and worked it into my long pubes. Every last one of them was coming off.

Once I'd rinsed off all the excess soap and hair shavings, my twat felt so sensitive. The bathroom window was open, and I felt a cool breeze blow in. And when I touched it, it felt so gorgeously smooth.

I couldn't help myself stroking my velvety softness, and pretty soon it had the obvious effect. My pussy began to juice up, filling my slit with sticky wetness and it was like my clit inflated, poking out from between my paler labia. And, because I'd been sunbathing in my skimpy bikini, I was brown all over, apart from a really pale triangle – even if it didn't quite glow in the dark, it definitely drew your eyes.

As the sky started to get light, we all ran, laughing and whooping down to the little stone pier, leading off the beach. The tide was completely in so we knew the water was deep enough to have a swim. I bided my time, letting Debbie, one of the big-boobed girls lift her top up and shake them at the lads, before most of the girls joined in, screaming with laughter. I think everyone just thought I was shy, not joining in – one of the girls said, "Aww, c'mon, we're all doing it, join in! And you've got a really sexy body – you should show it off!"

I wasn't exactly confident with my body (my tits were still too small!), but I knew I looked good, with my recent bit of pubic-topiary!

"OK, here goes nothing…" I said, and with that, I pulled my T-shirt off – I wasn't wearing a bra – then slipped my knickers down, feeling a hot surge of juices as I realised most people were watching the 'shy girl', to see how she reacted. I looked around.

Among the other girls, there were mostly neatly trimmed pubes (back like mine had been), a couple of full-on bushes and one Brazilian – I couldn't help thinking that it was a DIY job – but I was the only one with a bald beaver, and I think it was noticed!

One of the girls, a blonde with huge boobs, seemed a bit narked by my attention-seeking, and asked if we were here to swim, or what? Everyone jumped in the water and, as we splashed about, one of the guys, Ryan, swam up and asked – still nervous even though he'd obviously had some Dutch courage – could he have a little feel of my pussy, as he'd never actually touched a "shaven haven" before.

I should have said no just to punish him for calling it that! But maybe he was just curious – and if he was coming on to me that was fine by me, as I quite fancied him anyway!

"OK," I told him and his hand moved a bit shakily in between my thighs. At first, he did only touch the outer labia, testing my shaved bits. But then he started rubbing a bit harder, caressing them, and one of his fingers slipped in between them. As Ryan started probing my hole I moved in for a kiss, started fucking my tongue in and out of his mouth to the same rhythm as his finger.

We were well into it by the time someone noticed, but then the wolf-whistle they so kindly did, drew everyone's attention to us. I don't think anyone followed us when we swam to the steps on the other side, but knowing they were close and could probably guess what we were doing, really turned me on.

I told Ryan to lick me out, so he poured a bottle of beer over my crotch to rinse off the salt water (apparently), and, of course, it fizzed right up, which felt amazing. Then he began to lick me. The feel of his tongue, coupled with the fizz of the beer felt amazing and it took me a few minutes to get used to the sensation.

He took ages over tonguing every smooth inch of my snatch, lapping up the juices, but only going near my clit when I groaned in frustration and grabbed him by the hair, trying to move his mouth onto it, or at least close by. He sucked on it, lashing it with his tongue till I climaxed, but all I really wanted was to feel his fat cock wedged right up inside me.

Name: **HELEN**
Age: **25**
From: **DERBY**

The water had been a bit cold for Ryan – need I say more? – but my hands soon got him big and rock-hard. I think I played with him a bit too enthusiastically – I just kept rubbing him against my clit, till I tossed his load all over it.

No big deal – in fact, I'd never seen anything so sexy in my life. My cute little slit, all shaved and pale – just a bit darker on the folds from where I'd come, and now it was splattered all over with pearls of thick, creamy spunk.

Then I saw the second-horniest thing ever. Ryan started licking my fanny, tasting his own self, his tongue licking every inch of my twat. I knew he'd soon get hard again, and it happened almost immediately. This time, when Ryan fucked me, he lasted for ages, and I just spread myself wide, watching him as he ploughed his shaft in and out of my hole, so much darker and shinier than my delicate flesh.

Shame Ryan was just a holiday fling as he was a bloody good shag, but I've kept on shaving my pussy, every Friday for the weekend without fail. It makes me feel so sexy and my pulling power seems to have gone through the roof!

Have you completed your 'mission'?
What on earth are you talking about? I'm not a secret agent, I work in advertising!

When we spoke to you in Vol 31 No 12, you said you had a special mission. Remember?
Er... refresh my memory?

PATRICIA

PHOTOGRAPHED BY
VIV THOMAS

You said you were going to seduce some bloke called David at work!
Oh, I remember! [laughs] I thought he was going to be a Mission Impossible *– I tried all the subtle approaches and none of them worked – so I got obvious.*

What did you do?
I kept him back late, told him to make me some coffee, and when he came back into my office he found me spreadeagled on the desk with a packet of condoms in my hand. We're doing lots *of overtime now!*

MAYFAIR
Classic

Patricia sounds like she was a pretty game sort, doesn't she? Getting her hands on a fellow at work by lying spreadeagled on her desk clutching a packet of johnnies?! You'd have thought that with her looks such desperate tactics would hardly be necessary, and that if the bloke was that much of a dufus then he didn't deserve his good fortune. Hey ho - maybe I'm just bitter...

Vol.51 No.04

On April 1st

We know – April the first is noted for its silly pranks, but allow us to assure you we're not joking here – these two stunners will definitely be appearing in the magazine that's out that day – alongside plenty of others! While other publications might like to try and fool their readership, you can rest assured we can be relied upon to deliver the naked truth, month after month!
